Hand-Held Empanadas

Hand-Held Snacking with a South-of-the-Border Flair

Perfect for on-the-run eating, Double B's Empanadas are irresistible hand-held pockets generously stuffed with a combination of savory ingredients.

To ensure an authentic taste, we create our pastry dough from scratch using multiple layers for a flaky and tender crust. Our distinct and delicious fillings feature quality ingredients and seasonings to exceed the taste expectations of your most discerning customers. And the traditional half-moon shape with crimped edges delivers a back-of-the-house made appearance. May be lightly fried before serving for a crispy crunch.
